Environmental Assessment Report

Volume 1

March 2009

Preparation and submission of Environmental Assessment report prepared under Part 3A of the Environmental Planning and Assessment Act 1979

EA Report prepared by:

Name:	Jonathon Berry	Michael Moore
Qualifications:	BSc(Hons)	BSc(Hons); MEM
Address:	Wells Environmental Services Level 1, 3/ 95 High Street, Maitland NSW 2323	Coffey Natural Systems Level 1, 3 Rider Boulevard Rhodes NSW 2138

Major Project Application:

Applicant's name	Ian Callow Moolarben Coal Mines Pty Limited ABN 82 108 601 672
Applicant's address:	Level 14, 213 Miller Street, North Sydney NSW
Proposed development:	Stage 2 of the Moolarben Coal Project (08_0135); Modification of the Moolarben Coal Project (05_0117 MOD 3).
Land to be developed:	Schedule of land on which the proposed development will occur is contained in Appendix 1A in Volume 1.

Environmental Assessment	An Environmental Assessment Report for the proposed development has been prepared in accordance with the Director-General's Environmental Assessment Requirements for Stage 2 of the Moolarben Coal Project and the Modification of Stage 1 of the Moolarben Coal Project.
---------------------------------	--

Certification Jonathan Berry of Wells Environmental Services and Michael Moore of Coffey Natural Systems Pty Limited, certify that the Environmental Assessment for Stage 2 of the Moolarben Coal Project and modification to the Stage 1 Approval was jointly prepared. We certify that to the best of our knowledge the Environmental Assessment contains relevant information that is neither false nor misleading.
